Exhibitor Testimonials

"I am here in our booth at Snack & BakeTec, this is 2nd edition and I can see it growing strongly. This is the wonderful expo to meet, greet & share technological advancements. I hope this turns out to be one of the best shows for the snack, bakery and confectionery industry."

Anthony Dsouza
Managing Director
Mespac India

"I think it's been a wonderful experience. We have had large number of visitors and it's unfortunate that a few of our potential clients had to walk away because we were not able to spend enough time, so it's been a very good experience for us and we apologize to those whom we were not able to give time to. As far as our specialization is concerned, we are moving into dehydration of fruits and vegetables, we are going into vacuum drying and we are going into various other technologies which are user friendly, which are better for the client in terms of better nutrition, no preservatives and still getting the feel of the real products."

Gurinder Singh Rance
Marketing Director
Kiron Food Processing Technologies

Exhibitor Testimonials

“The show has been good. We had a steady stream of customers coming in – existing and new customers. We have had some good enquires and we would like to continue our participation in this show.”

“We are very delighted and happy to be here in the exhibition. It is great opportunity to meet new friends, colleagues. The show is amazing.”

Ankit Kaushal
VP Sales
New Era Machines

“We are manufacturing different types of equipment's for food industry. This is our 2nd year of participation at Inter FoodTech and the experience so far has been good. We got good response and we could manage to complete couple of deals in this exhibition. All the best for the next year.”

Manish Antwal
3P Solutions

“This is our first time participating in Inter FoodTech. We didn't attend the previous event, as we were skeptical about it. However, it turned out to be a good show for us. Compared to other shows, we have noticed relevant footfall here. Overall, it's been a good show.”

Pravin Dev
Director
Arun Laser Ovens Private Limited

Exhibitor Testimonials

“Inter Foodtech has been good. This is the first time we are exhibiting here, and it's been progressive. I really feel that there is a lot of potential for growth. The footfall has been good, and these two days have been quite active.”

Ramanathan R
CEO and Director
Parle Global Technologies

“Inter FoodTech has been quite good and quite a lot of new customers have come in with genuine queries. The objectives which we wanted to achieve with this exhibition have been fulfilled.”

Rahul Paharia
